General Park, Boulevard and Cemetery Facts

Winnipeg's Park System is 54 years old.

It is administered by a Board appointed by the City Council and known as the Public Parks Board.

Provision is made for every form of amateur sport.

Children's playground equipment provided.

Up-to-date refreshment facilities at the refresheries in Assiniboine and Kildonan Parks.

Public comfort stations and rest rooms provided in the large parks.

The only Conservatory and Palm House in the West.

An interesting collection of native wild animals, besides lions, monkeys and polar bears.

Streets boulevarded have a frontage of approximately 212 miles.

Two Municipal Golf Courses, of 18 holes each. Kildonan Golf Course, adjoining Kildonan Park on Main Street $3\frac{1}{2}$ miles north from the centre of the City. Windsor Golf Course

situated in St. Vital, southeast of and $3\frac{1}{2}$ miles from the centre of the City.

Brookside Cemetery municipally owned containing 163 acres, is situated one mile west of the western city limits on the north side of the continuation of Notre Dame Avenue. The Cemetery is maintained under the administration of the Public Parks Board, and lot owners are assured perpetual maintenance of plots and graves.

Two indoor Municipal Swimming Pools. Sherbrook Pool on Sherbrook Street, a short distance north of Portage Avenue. Fritchard Pool at the corner of Fritchard Avenue and Charles Street.

Fritchard Pool now closed for conversion to an open air pool.

One outdoor Municipal Swimming Pool in Sargent Athletic Park, at the corner of Sargent Avenue and Downing Street.

Park Funds are secured from what is known as the Park Fund Levy which amounts to \$189,000.00 this year.

Recreation

Winnipeg, in common with cities and towns everywhere, has entered a new era faced with many problems. The solution to many of these problems will be found when Canadian Communities are made better places in which to live. The post-war restlessness of teen agers, and of the returned veterans will be effectively counteracted by attractive recreational facilities.

Winnipeg's Recreational Program is planned on a twelve month basis with opportunity provided for both sexes of all ages taking part.

Winnipeg has 42 supervised Summer Playgrounds. 15 Playgrounds are equipped with Wading Pools and Play Apparatus. 14 Playgrounds are supervised on School Grounds.

A Play Town, complete with Mayor and three Councillors is set up on each Playground.

25 Skating Rinks are supervised during the winter months.

A Hockey League for Boys 12 years and under operates from these rinks.

There are 32 Community Clubs operating under the Association of Community Clubs.

The School Board provides the use of their Buildings and Grounds for a Program after school hours during the school term.

Leadership Courses for the training of leaders are held at different periods of the year.
